

Granada 70cm Round Table Top and Base

Assembly Instructions

L-Grow Code: GF-GRA11

**PLEASE READ ENTIRE
INSTRUCTION SHEET BEFORE ASSEMBLY**

DO NOT ATTEMPT TO ASSEMBLE THE TABLE IF ANY PARTS ARE MISSING OR DAMAGED.

1. With the help of another person, place table top upside down on a flat, non-abrasive surface.
2. Attach one table leg assembly to the table rim with the bolts and metal washers, insert the leg connector bracket and then attach the other table leg assembly using the same method. DO NOT TIGHTEN COMPLETELY.
3. Now tighten all bolts using the Allen Wrench provided. Important note: Each bolt should be tightened a few revolutions at a time, alternating between bolts in a cross corner (x) fashion. This will ensure your table is level by placing equal pressure on all bolt joins.

Your table is now ready for use.
